material handling
SAFER, CLEANER, &
MORE PRODUCTIVE.

The ACT Group improves production with the Weigh Shark® Belt Scales .

The Weigh Shark® mounts to any width CEMA idler. No holes to drill. Installation in just a few minutes. Simple step by step calibration. Accurate and reliable with solid steel construction. Heavy duty steel load cells temperature compensate for accuracy during wide temperature ranges. High speed processor and surface mount circuitry components for long reliable operation. 5 different models to choose from based on belt speed.

The Weigh Shark® scale is loaded with many valuable features.

- 4 Inputs: Remote Clear, Print Ticket etc.
- 4 Outputs: Under/Over speed, rate or tons, pulse per ton etc.
- 4-20 mA output (16 bit): Chart recorder, production control etc.
- Accepts 110/220 VAC and 12-24 VDC
- Power protection
- RS 232 printer
- RS 485 printer
- Ethernet: PLC, PC, remote display, HTTP web server.
- 1 Year Limited Warranty
